Hi Natalia,

I have received a request via phone to add the following comments to the record for the Public Hearing on Friday. Can you please upload these comments to the appropriate channels and add it to the correspondence so the Board is aware?

"What are the procedures if a Special Permit is approved via Article 29? What are my rights and what is the process for appeal? I am in opposition to this Article and would like to know what course of action I can take should the Article pass." - [90 Wesson Road](#); Bill Reychlik

Dear Planning Board,

Since I am not able to attend the May 5th warrant review meeting, I would like the following to be included in the meeting packet and minutes.

Should Article 29 pass, I would like the board to keep in mind, as stated by Bob Hassinger, that while you wouldn't want the Sunflower Shanty in your neighborhood, it is in ours. It is my understanding that the town officials don't want venues like the Sunflower Shanty popping up all over town, limiting the days and hours of operation would be greatly appreciated.

Regards,

Jennifer Rychlik
